Oakwood is planning to open a new 225-unit serviced residence in Guangzhou in the first quarter of 2012. Oakwood Premier Guangzhou will become the company's seventh property in China and its second in Guangzhou, following the Oakwood Gold Arch Residence Guangzhou.

The new property will offer a range of studios and one-, two-, three- and four-bedroom units, ranging from 50-230m². Each apartment includes a home entertainment system, MP3 docking station, steam shower, Wi-Fi access, and modern appliances.

Other property facilities include the Oakroom restaurant with private dining rooms, a fitness centre, meeting rooms, business services, outdoor pool, sauna, jacuzzi, and an Angsana Spa by Banyan Tree.

Oakwood Premier Guangzhou is located in the city's central Tianhe district.
