Brass Lion Distillery x The Bar

To celebrate this collaboration, The Bar will also be rolling out three exciting gin concoctions featuring the belle of the ball - the **Singapore Dry Gin**.

The flagship gin by Brass Lion Distillery brings together a plethora of botanicals to create a distinctly Singaporean gin, drawing inspiration from the country as a geographical melting pot. Showcasing the best of local flavors, the gin includes notes of familiar fragrances such as torch ginger flower, pomelo peel and kaffir lime leaves. Paired with juniper berries, the essential ingredient

in any gin, the result is a citrusy and floral blend with aromatic Asian influences.

To express the nuances of this unique spirit, The Bar has teamed up with Brass Lion Distillery to present three signature cocktails. These include the **Coco Clover** – a tropical twist on the Clover Club with coconut, egg white and raspberry, the sophisticated **French 75** with sparkling wine and fresh lemon juice, and the **BLD Martini**, a classic take with an added dash of orange bitters.

Guests may also purchase bottles of the Singapore Dry Gin at **S\$108++ per bottle**.
